**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Joint Committee on Public Employee Retirement (JCPER)** assume the bill has no direct fiscal impact to the Joint Committee on Public Employee Retirement.

The JCPER’s review indicates that its provisions may constitute a “substantial proposed change” in future plan benefits as defined in section 105.660(10). It is impossible to accurately determine the fiscal impact of this legislation without an actuarial cost statement prepared in accordance with section 105.665. Pursuant to section 105.670, an actuarial cost statement must be filed with the Chief Clerk of the House of Representatives, the Secretary of the Senate, and the Joint Committee on Public Employee Retirement as public information for at least five legislative days prior to final passage.

Officials from the **Police Retirement System of City of St. Louis** did not respond to **Oversight’s** request for fiscal impact for this proposal.

**Oversight** assumes this proposal would have an impact on the Police Retirement System of the City of St. Louis. However, Oversight assumes the impact would be minimal and would not translate into a change in employer contributions into the retirement system by the City of St. Louis. Therefore, Oversight will reflect a zero impact on the fiscal note for the City of St. Louis.

**Oversight** has presented this fiscal note on the best current information that we have. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

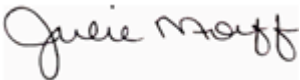

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
