FISCAL ANALYSIS

ASSUMPTION

§595.325 – Missing and Murdered African American Women and Girls Task Force

Officials from the **Department of Public Safety (DPS) – Director’s Office (DO)** state one FTE (Program Specialist, \$68,712 annually) is needed to provide support to the task force.

DPS estimates a total fiscal impact to the General Revenue Fund of \$96,796 for FY 2026; \$113,572 for FY 2027; and \$115,544 for FY 2028.

Oversight does not have any information to the contrary and will present costs as provided by DPS. For fiscal note purposes, Oversight assumes the task force will be extended until December 31, 2029.

In response to the previous version of this proposal, officials from the **Office of the State Courts Administrator (OSCA)** stated SB 40 may have some impact on the OSCA, but there is no way to quantify that amount at the present time. Any significant changes will be reflected in future budget requests.

Oversight notes OSCA assumes this proposal may have some impact on their organization although it can’t be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 to (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

In response to the previous version of this proposal, officials from the **Missouri Senate (SEN)** stated the SEN anticipates a negative fiscal impact to reimburse 2 Senators for travel to Missing and Murdered African American Women and Girls Task Force meetings. It is assumed meetings will be held in Jefferson City during the interim. It is further assumed it will cost approximately \$335.36 per meeting.

The SEN assumes no fiscal responsibility for the other committee members.

Oversight does not have any information to the contrary. However, Oversight assumes the SEN can absorb the minimal fiscal impact for this proposal within existing funding levels and will reflect no fiscal impact for this agency.

Officials from the **Missouri House of Representatives (MHR)** assume the MHR will be able to absorb any reasonable expenses of members serving on the task force. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect no fiscal impact for this agency.

Officials from the **DPS - Missouri Highway Patrol** and the **Missouri Office of Prosecution Services** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from the prior session (SS SB 890), officials from the **Office of Attorney General (AGO)** assumed any additional litigation costs arising from this proposal could be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation or investigation.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.
