**ASSUMPTION**

**§195.080 – Opioid prescriptions**

Officials from the **Department of Commerce and Insurance**, the **Department of Health and Senior Services**, the **Department of Public Safety**, **Missouri Veterans Commission** and the **Department of Social Services** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **University of Missouri Health Care (MUHC)** have reviewed the proposed legislation and determined that as written it should not create expenses in excess of \$100,000 annually.

**Oversight** assumes the costs incurred by the MUHC related to this proposal can be absorbed within current resource levels.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, nursing homes and hospitals were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
