Oversight notes under this proposal, no charter school established on or after August 28, 2025, shall be eligible to operate in Missouri without the State Board of Education's issuance of a certificate of need for such charter school as provided in the proposal. A certificate of need shall be required only for proposed charter schools that are not established as of August 28, 2025, and shall not be required for charter renewals or transfers of sponsorship. Oversight received no responses from charter schools related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available.
