FISCAL ANALYSIS

ASSUMPTION

§42.028 – Compensation for assisting with veterans’ benefits

Officials from the **Office of the State Public Defender** state per the National Public Defense Workload Study, the new charge contemplated by this change to Section 42.038 would take approximately twenty-two hours of SPD work for reasonably effective representation. If one hundred cases were filed under this section in a fiscal year, representation would result in a need for an additional attorney. Because the number of cases that will be filed under this statute is unknown, the exact additional number of attorneys necessary is unknown. Each case would also result in unknown increased costs in the need for core staff, travel and litigation expenses. However, if the charge was classified as a class D misdemeanor no jail time would be authorized, and the cases would not qualify for SPD representation.

Oversight assumes this proposal will create a minimal number of new cases and that the SPD can absorb the additional caseload required by this proposal with current staff and resources. Therefore, Oversight will reflect no fiscal impact to the SPD for fiscal note purposes. However, if multiple bills pass which require additional staffing and duties, the SPD may request funding through the appropriation process.

Officials from the **Missouri Office of Prosecution Services (MOPS)** assume the proposal will have no measurable fiscal impact on MOPS. The enactment of a new crime (§42.028.10) creates additional responsibilities for county prosecutors and the circuit attorney which may, in turn, result in additional costs, which are difficult to determine.

Oversight notes this act provides that no person shall receive compensation for advising or assisting, or referring to another person for such purposes, any individual with regard to any veteran’s benefits matter, as described in the act, unless such individual provides a written agreement containing the terms of the fees, provides certain disclosures, and complies with requirements under federal law. Additionally, no person shall advertise for such services without including a disclosure as specified in the act. Furthermore, no person shall receive compensation for any services rendered before the date on which a notice of disagreement is filed with the United States Department of Veterans Affairs and no person shall guarantee the receipt of specific veteran benefits. Any person who violates this act shall be guilty of a class A misdemeanor. Oversight assumes this will have a minimal fiscal impact and will not present an impact for fiscal note purposes.

Officials from the **Department of Commerce and Insurance**, the **Department of Public Safety - Missouri Veterans Commission**, the **Missouri National Guard**, and **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION
