FISCAL ANALYSIS

ASSUMPTION

§407.932 – Tobacco Products

Officials from the **Department of Revenue (DOR)** state no political subdivision shall enact a law regulating the sale of tobacco products, alternative nicotine products, and vapor products under the provisions of Sections 407.924 to 407.934. Additionally, this proposal makes clear that the sale or transfer of a tobacco license or permit to a new owner upon the sale of a retail establishment cannot be prohibited by a local political subdivision. DOR assumes this will not have a fiscal impact on the DOR.

Officials from the **Department of Public Safety (Division of Alcohol and Tobacco Control)**, the **Office of Administration (Budget and Planning)**, **Kansas City** and **O’Fallon** each assume the proposal will have no fiscal impact on their organizations.

Oversight does not have information to the contrary and therefore, Oversight will reflect no fiscal impact for the proposal.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
