FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education (DESE)** state section 161.028 requires the state board of education to be the appellate body responsible for handling appeals relating to any decisions or rulings made by an activities association which would likely be absorbed with existing FTE. However, if multiple pieces of legislation are passed that require additional duties DESE will seek additional FTE as needed through the appropriations process.

Based on this proposed language, DESE's Office of Governmental Affairs estimates costs of less than \$100,000. These costs which will be dependent on the number of hearing appeals the State Board receives, include but are not limited to:

- Hearing officer time for hearing and drafting recommendations for the State Board;
- Administrative assistant time to schedule hearings, provide notice to parties and any settlement negotiations;
- Court reporter costs;

For cost explanation purposes, the average cost for a teacher discipline hearing is \$566.55/hearing:

- Average of 3 hours of hearing officer time x average of \$58.08/hour
- Average of 7 hours administrative assistant time x \$31.08/hour
- Average of \$174.75 in court reporter costs/hearing.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a range of impact of \$0 (no hearings) to Less than \$100,000 in costs (hearings by the State Board) as estimated by DESE in the fiscal note.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight received no responses from public schools related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. Oversight only reflects the responses received from state agencies and political subdivisions; however, other school districts, colleges and universities were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Currently, a statewide activities association that facilitates interscholastic activities for secondary school students who attend a public school in this state may serve as the appellate body that handles appeals of decisions made by such activities association. This act transfers the authority to handle such appeals to the State Board of Education. Within 48 hours of receiving an appeal, the State Board of Education shall meet to consider the appeal, and within 24 hours of such meeting, the State Board of Education shall decide on the appeal.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
