FISCAL ANALYSIS

ASSUMPTION

Officials from **Department of Labor and Industrial Relations**, the **Department of Revenue**, the **Office of Administration – Administrative Hearing Commission**, the **Missouri Department of Transportation**, the **Office of Administration – Budget & Planning**, the **Department of Revenue**, and the **Missouri Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
