ASSUMPTION

§321.220 – Fire Protection District Boards Enacting Ordinances for Agricultural Buildings

Officials from the **Missouri Department of Agriculture** and **Kansas City** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes the **Florissant Valley Fire Protection District** responded to a previous version of the proposal but did not provide a fiscal impact statement for this proposal.

In response to similar legislation from this year, HB 533, officials from the **City of O’Fallon** assumed the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Oversight received a limited number of responses from cities, counties and fire protection districts related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities, counties and fire protection districts were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
