FISCAL ANALYSIS

ASSUMPTION

Section 168.133 Criminal Background Checks

Officials from the **Department of Elementary and Secondary Education** and **Missouri Highway Patrol** both assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight received no responses from school districts related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note. Oversight only reflects the responses received from state agencies and political subdivisions; however, school districts were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

Oversight notes this proposal adds charter schools to provisions of state law requiring background checks to be conducted on school personnel. The proposal requires background checks to be conducted not only on school bus drivers, but also on the drivers of other vehicles owned by school districts and charter schools. For drivers employed or contracted by a pupil transportation company that is under contract with a school district or charter school, the pupil transportation company shall conduct the criminal background check.

Oversight assumes a minimal amount of additional revenue will be collected into the Criminal Records Fund from additional background checks as a result of this proposal and will not reflect it in the fiscal note.
