FISCAL ANALYSIS

ASSUMPTION

§ 197.1040 and § 197.1045 – Hospital price transparency

Officials from the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Social Services** and the **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes hospitals were requested respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

Because hospitals did not respond to a request for fiscal impact for this proposal, **Oversight** assumes hospitals are already in compliance, or will be in compliance, with the proposed legislation and further assumes no fiscal impact to hospitals.
