Officials from the **Department of Elementary and Secondary Education**, the **Department of Higher Education and Workforce Development**, the **University of Central Missouri**, and the **University of Missouri System** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from the current session (HB 2415), officials from **Northwest Missouri State University** assumed the proposal would have no fiscal impact on their respective organizations.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other colleges and universities were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
