FISCAL ANALYSIS

ASSUMPTION

Officials from the **Sheriff’s Retirement System** state the Missouri Supreme Court in 2021 ruled the collection of the \$3 criminal fee was unconstitutional. The collection of the fee was removed in July 2021. This is clean up language to remove the fee that can no longer be collected to fund the Sheriffs' Retirement System. Therefore, there is no impact to the retirement system.

Officials from the **Joint Committee on Public Employee Retirement (JCPER)** state the JCPER’s review of SB 141 indicates it will affect retirement plan benefits as defined in Section 105.660(9). According to actuarial information provided by the retirement system, SB 141 would constitute a “substantial proposed change” in future plan benefits as defined in section 105.660(10). Pursuant to section 105.670, an actuarial cost statement must be filed with the Chief Clerk of the House of Representatives, the Secretary of the Senate, and the Joint Committee on Public Employee Retirement as public information for at least five legislative days prior to final passage.

Officials from the **Office of the State Courts Administrator** assume the proposal will have no fiscal impact on their respective organization.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

FISCAL DESCRIPTION
