FISCAL ANALYSIS

ASSUMPTION

§67.1366 – Small cities transient guest tax

Officials from the **Office of Administration - Budget and Planning (B&P)** assume no direct fiscal impact for this proposal. This proposal has no direct impact on general or total state revenues and will not impact the calculation pursuant to Article X, Section 18(e).

Officials from the **Department of Revenue** and **Kansas City** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes this section allows a city with a population of more than 100,000 to adopt a transient guest tax by a vote of their citizens. The tax currently can be used for the promotion, operation and development of tourism. This proposal would expand the use of the tax to include paying for the operating costs of a community center. Therefore, Oversight will reflect no fiscal impact for this proposal.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
