## **FISCAL ANALYSIS**

#### **ASSUMPTION**

§37.090- State Surplus Fund

Officials from the **Office of Administration** assume the proposal will have no fiscal impact on their organization.

Oversight assumes this legislation changes the requirement that the moneys received by the state from the sale of surplus property <u>shall</u> be deposited in the Missouri State Surplus Property Clearing Fund to <u>may</u> be deposited into the Missouri State Surplus Property Fund. Oversight will assume a range of loss of revenue from \$0 (no change, money is still deposited into the fund) to an unknown loss to the Missouri State Surplus Property Clearing Fund (0710).

**Oversight** is uncertain which fund the moneys received by the state from the sale of surplus property would go to if not the Missouri State Surplus Clearing Fund. Therefore, Oversight did not show a potential gain to another fund.

**Oversight** notes the Missouri State Surplus Property Clearing Fund FY 2024 receipts totaled \$3,925,586.

### FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

#### FISCAL DESCRIPTION

This act permits, rather than requires, the moneys received by the state from the sale of surplus property to be deposited in the state treasury to the credit of the "Missouri State Surplus Property Clearing Fund".

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
