The Department anticipates that they will be able to absorb these costs and that there will be minimal impact. If multiple bills are passed that require department resources, FTE may be requested through the appropriations process.

**Oversight** assumes DOR is provided with core funding to handle a certain amount of activity each year. Oversight assumes DOR could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DOR could request funding through the appropriation process. Officials from the DOR assume the proposal will have no fiscal impact on their organization.

Officials from the **Department of Health and Senior Services** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.
