FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Facilities Management, Design and Construction** assume at this time, it is believed that the additional staff time and resources can be absorbed by FMDC. However, if there are multiple pieces of legislation passed where FMDC has responded that the costs can be absorbed, FMDC would need to reevaluate to see if additional staff and associated expenses would then be required.

Officials from the **Office of the Governor** assume this proposal would not directly impact the Governor's Office.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

<u>FISCAL IMPACT – State Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
