FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Senate** state they anticipate a negative fiscal impact to reimburse one Senator for travel to Commission on Interstate 70 Safety and Beautification meetings. In summary, it will cost approximately \$167.03 per meeting. **Oversight** assumes this cost is immaterial and will not reflect it in the fiscal note.

Officials from the **Missouri Department of Transportation** and the **Office of the Governor** both assume the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation, HCR 7 (2025), officials from the **Missouri House of Representatives** stated there would be no fiscal impact to their organization.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
