**FISCAL ANALYSIS**

**ASSUMPTION**

**§67.311 – Licensing for Mobile Food Units**

Officials from **Jackson County** did not respond to **Oversight’s** request for fiscal impact for this proposal.

Officials from the **City of Kansas City** assume the proposed legislation has a negative fiscal impact of an indeterminate amount.

**Oversight** received a limited number of responses from the cities located in Jackson County related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

**Oversight** assumes cities within Jackson County who require permits on mobile food units could have a loss in revenue from this proposal. Therefore, Oversight will reflect a \$0 or unknown revenue loss in permit fees for the cities in Jackson County for this proposal.

Officials from the **Department of Health and Senior Services** and the **Department of Revenue** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

Small businesses who operate a mobile food unit may be impacted by this proposal.

FISCAL DESCRIPTION

This act provides that any license or permit issued by Jackson County to a mobile food unit or operator shall be sufficient to allow such mobile food unit to operate in all municipalities within the county. Any licensing or permitting requirement imposed by a municipality that is more strict than the licensing or permitting requirements imposed by the county shall be null and void.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
