FISCAL ANALYSIS

ASSUMPTION

§230.205 – Alternative County Highway Commissions

Officials from the **Missouri Department of Transportation** and the **Office of the Secretary of State** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

In response to similar legislation, HB 1403 (2020), **Oversight** inquired of the **Missouri Association of Counties (MAC)** as to how many alternative county highway commissions are currently being utilized. MAC stated they are unaware of any being utilized or of any that have been utilized in the past several years.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, county commissioners were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
