**FISCAL ANALYSIS**

**ASSUMPTION**

**§321.295 – Fire Protection Districts and the Distribution of Surplus/Unneeded Supplies or Property**

Officials from the **Department of Public Safety (Fire Safety and Missouri Highway Patrol), Office of Administration, City of Kansas City, Phelps County Sheriff’s Office, Branson Police Department, Kansas City Police Department, St. Louis County Police Department** and the **Eastern Clay Ambulance District** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** notes no fire protection districts responded to the fiscal note request. Therefore, Oversight assumes the provisions of this section may have an unknown positive fiscal impact on local fire protection districts if the board of directors of the district sells surplus or unneeded supplies or property to the general public by auction.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties, local law enforcement agencies, fire protection districts and ambulance districts were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This act authorizes the board of directors of a fire protection district to distribute surplus supplies or property to volunteer fire protection associations, other fire protection districts, fire departments, or to eligible donees, as described in the act. Any surplus supplies or property that is not transferred may be sold at auction under sealed bid.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
