## FISCAL ANALYSIS

### ASSUMPTION

#### §§566.149 and 595.209 – Public Safety

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Elementary and Secondary Education, Department of Corrections, Department of Public Safety – (Office of the Director and Missouri Highway Patrol), Department of Social Services, Office of the State Courts Administrator, Office of the State Public Defender, Phelps County Sheriff’s Department, Kansas City Police Department, and St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation from 2024 (SB 1338), officials from the **Missouri Office of Prosecution Services** assumed the proposal would have no fiscal impact on their organization.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other schools and local law enforcement were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
