FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Office of Prosecution Services** did not respond to **Oversight's** request for fiscal impact for this proposal.

Supreme Court Rule 15.05 – Continuing Legal Education Requirements for Lawyers

Officials from the **Office of the State Courts Administrator (OSCA)** state SB 1311 may have some impact but there is no way to quantify that amount currently. Any significant changes will be reflected in future budget requests.

Oversight notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 or (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Missouri Department of Conservation, Missouri Department of Transportation, Office of Administration** and **Office of the State Public Defender** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL DESCRIPTION

This act modifies Supreme Court Rule 15.05 regarding continuing legal education requirements for lawyers. Specifically, this act repeals the requirement of one ethics credit hour devoted exclusively to bias, diversity, inclusion, or cultural competency and provides for a total of two of the total fifteen credit hours to be devoted to ethics.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
