## **FISCAL ANALYSIS**

### **ASSUMPTION**

#### **§§506.602 and 508.074 – No Shari'a Law**

Officials from the **Office of the State Courts Administrator (OSCA)** state SB 977 may have some impact but there is no way to quantify that amount currently. Any significant changes will be reflected in future budget requests.

**Oversight** notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 or (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of Administration - Administrative Hearing Commission, Department of Labor and Industrial Relations, Missouri Department of Conservation, Missouri Department of Transportation, Office of Administration and Office of the Secretary of State** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

### FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

### FISCAL DESCRIPTION

This act establishes the "No Shari'a Act" which prohibits the application and enforceability of Shari'a law or any foreign law, legal code, or system that denies the parties the fundamental liberties, rights, and privileges guaranteed under the Constitution of the United States or the Constitution of Missouri.

This act shall not be construed to disapprove or abrogate existing precedent of the Supreme Court of Missouri, to limit adjudication of ecclesiastical matters of a religious organization, to apply to those corporations, partnerships, or associations that voluntarily subject themselves to foreign law or foreign courts, and apply where federal law preempts state law.

Additionally, this act provides that no state court, arbitration panel, tribunal, or administrative agency shall transfer any civil action if the transfer would result in the application of Shari'a law or foreign law prohibited by this act.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
