FISCAL ANALYSIS

ASSUMPTION

Repeals §§1.410, 1.420, 1.430, 1.440, 1.450, 1.460, 1.470, 1.480, and 1.485 and Implements §§1.411, 1.451, 1.461, 1.471, 1.481, and 1.484 – Right to Bear Arms

Officials from the **Office of Administration** state §§1.451 and 1.461 create provisions and damages relating to firearm deprival and includes a waiver of sovereign immunity for actions brought under this section. This has the potential to increase costs to the LEF but would be subject to judicial construction; therefore, the cost is unknown.

Oversight does not have any information contrary to that provided by OA. Therefore, Oversight will reflect OA's potential unknown impact for fiscal note purposes to the State Legal Expense Fund. Oversight notes the Legal Expense Fund is funded by the General Revenue Fund as well as other state funds. Oversight notes this possible litigation exposure as described by OA could also apply to colleges and universities, federal funds, as well as local political subdivisions.

Officials from the **Office of Administration - Budget and Planning** state Article IX, Section 7 of the Missouri Constitution requires that penalties, forfeitures, and fines collected for violations of state law be distributed to the schools. To the extent any additional such revenues are deposited into the state treasury, TSR may increase.

Oversight notes that violations of §§1.461 and 1.471 could result in a civil penalty of \$50,000 per occurrence. Oversight also notes per Article IX Section 7 of the Missouri Constitution fines and penalties collected by counties are distributed to school districts. Fines vary widely from year to year and are distributed to the school district where the violation occurred. Oversight will reflect a positive fiscal impact of \$0 or Unknown to local school districts. For simplicity, Oversight will not reflect the possibility that fine revenue paid to school districts may act as a subtraction in the foundation formula.

Officials from the **Department of Corrections (DOC)** state this proposal modifies provisions relating to additional protections to bear arms.

Section 1.451 is created, stipulating that no tax or registration shall be imposed on firearms; section 1.461 is created, stipulating any law enforcement agency that employs a law enforcement officer who knowingly violates section 1.451 shall be liable; and section 1.471 is created, stipulating any law enforcement agency that employs a law enforcement officer who previously violated section 1.451 shall be liable.

The DOC assumes a \$0 impact; however, sections 1.461 and 1.471 could create an increase in legal claims against the department. Should this occur, the department could see significant fiscal and operational impacts.

Officials from the **Department of Public Safety - Missouri State Highway Patrol (MHP)** state the proposal would not have a direct fiscal impact on their organization. The ongoing uncertainty from shifting court injunctions complicates leadership's ability to make informed decisions. As a result, the Patrol may have no choice but to scale back proactive policing efforts, ultimately jeopardizing public safety.

Officials from the **City of Kansas City** state the proposed legislation has a negative fiscal impact of an indeterminate amount as it increases the city's potential liability.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Labor and Industrial Relations, Department of Revenue, Department of Public Safety - Missouri Veterans Commission, Department of Social Services, Missouri Department of Conservation, Missouri National Guard, Office of the State Public Defender, Phelps County Sheriff's Department, Kansas City Police Department, and St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation from 2025 (HCS HB 1175), officials from the **Office of the State Courts Administrator** assumed the proposal will have no fiscal impact on their organization.

In response to similar legislation from 2025 (Perfectd HCS HB 1175), officials from the **Missouri Office of Prosecution Services** assumed the proposal will have no fiscal impact on their organization.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties, and local law enforcement were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.

FISCAL DESCRIPTION

RIGHT TO BEAR ARMS (Sections 1.411, 1.451, 1.461, 1.471, 1.481, and 1.484)

This act amends the sections of law which were declared unconstitutional in *United States v. Missouri*.

This act creates the "Second Amendment Preservation Act", and lists various declarations of the Missouri General Assembly regarding the United States Constitution and the scope of the federal

government's authority. In addition, the act declares that federal supremacy does not apply to federal laws that restrict or prohibit the manufacture, ownership, and use of firearms, firearm accessories, or ammunition within the state because such laws exceed the scope of the federal government's authority. Laws necessary for the regulation of the land and the United States Armed Forces are excluded from the types of federal firearms laws that exceed federal authority.

Under this act, no public officer or state or local employee has the authority to enforce federal firearms laws against law abiding citizens. However, state employees may accept aid from federal officials in an effort to enforce Missouri laws. Sovereign immunity shall not be an affirmative defense under this act.

Any political subdivision or law enforcement agency that employs a law enforcement officer who acts knowingly to deprive a Missouri citizen of certain rights or privileges ensured by the federal and state constitutions, or that knowingly employs a person who has acted under color of federal law to enforce or give material aid to enforce federal firearm laws, shall be subject to a civil penalty of \$50,000 per employee hired by the law enforcement agency. In such an action attorney's fees and costs may be awarded.

Additionally, a person shall have a standing to pursue an action for injunctive relief in the circuit court of the county in which the action allegedly occurred or in the circuit court of Cole County. The court shall hold a hearing on the motion for a temporary restraining order and preliminary injunction within 30 days of service of the petition.

It shall not be a violation of this act to provide aid to federal officials who are in pursuit of a suspect when there is a demonstrable criminal nexus with another state or county and the suspect is not a citizen of this state or is not present in this state. It shall not be a violation of this act to aid a federal prosecution for felony crimes involving a weapons violation against a person or for felony crimes involving a weapons violation and a controlled substance violation if such violation is a class A or B felony.

The provisions of this act shall be applicable to offenses occurring on or after August 28, 2026.

This act contains a severability clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
