FISCAL ANALYSIS

ASSUMPTION

Officials from **Counties, County Collectors** and **County Treasurers** did not respond to **Oversight’s** request for fiscal impact for this proposal.

§139.053 – Payment Options of Property Taxes for Township Counties

Oversight notes current law authorizes counties to provide for the payment of real and personal property taxes in installments but excludes township counties from utilizing such payment plans. This act repeals such prohibition for township counties. Oversight assumes this legislation allows townships the option to pass an order or ordinance to allow taxpayers the option to pay any part of their real and personal property taxes on an annual, semiannual, or quarterly basis. Oversight assumes no fiscal impact from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other counties, county collectors and county treasurers were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
