FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Revenue (DOR)** state the proposal would exempt the sale of coffins, caskets, burial cases and burial vaults from sales and use taxes.

DOR staff assume 80% of all taxable sales by funeral homes and crematories involve sales of the above items. Taxable sales for businesses in the SIC category "726-Funeral Service and Crematories" in FY 98 were \$108,925,594. If it is assumed that 80% of these sales represent these items, the amount of taxable sales that would be exempted in FY 98 would be \$87,140,475. 2.5% inflation is assumed.

Oversight assumes fiscal impact would not occur until October 1, 2000. This is because the law would go into effect August 28, 2000, and a one month lag is assumed. This would result in eight months of fiscal impact in FY 2001. Estimates are based on 1998 sales data.

This proposal would result in a decrease in Total State Revenues since Sales and Use Tax collections are included in the calculation of Total State Revenue.
