FISCAL ANALYSIS

ASSUMPTION

The **Department of Transportation (DOT)** concurs with the Department of Revenue's response to this proposal.

The **Department of Revenue (DOR)** Motor Vehicle Bureau (MVB) stated that there would only be approximately 100 applications for this type of license plate. Accordingly, the MVB assumes this proposal would have minimal impact on the DOR and could be processed with existing resources.

The DOR assumes this proposal requires the payment of an additional \$15 fee for this special plate. However, the DOR estimates this fee would have minimal impact on any funds because of the minimum number of applications anticipated.
