FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Revenue (DOR)** and **Department of Economic Development (DED)** state this legislation authorizes Hickory County to implement and collect a sleeping room tax. DOR and DED have no administrative responsibility and therefore no fiscal impact to their agencies.

Officials of **Hickory County** state that this proposal is permissive. However, if voter approval was received, this legislation would provide funds to promote tourism for the Pomme Lake area.

Oversight assumes that this proposal is permissive. Voter approval is required before any county governing body would be authorized to implement a tourism tax. However, there would be fiscal impact if the governing body of a county would seek and receive voter approval to impose a tourism tax.
