FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Public Safety** and the **Office of Attorney General** assume this proposal would have no fiscal impact to their agencies.

In response to a similar proposal last session, officials from the **Jefferson City Police Department** assumed there would be no fiscal impact to their agency.

This proposal states, “any law enforcement agency that has a published and distributed ordinance, administrative rule or regulation or written and distributed department policies and procedures, which provides an officer who is subject to punitive action, written notification and citation of the reason for the punitive action and allows the officer to request and have a hearing and the results of such hearing be reduced to writing shall be deemed to be in compliance with this section.” **Oversight** assumes that most law enforcement agencies have published and distributed department policies and procedures. While this proposal could result in some procedural changes, Oversight assumes the fiscal impact would be minimal and could be absorbed within existing resources.

L.R. NO. 3581-02
BILL NO. SB 813
PAGE 3 OF 3
January 31, 2000

DESCRIPTION

This proposal would set guidelines for hearings by grievance committees relating to the discipline of certain law enforcement officers, with which law enforcement agencies would be required to comply in the absence of similar procedures that are already in effect.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
