FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration, Department of Public Safety - Missouri Highway Patrol**, and the **Office of Attorney General** assume this proposal would have no fiscal impact to their agencies.

In response to a similar proposal, officials from the **Jefferson City Police Department** assumed there would be no fiscal impact to their agency.

Officials from the **Department of Public Safety - Director's Office** assume the state will be required to reimburse municipalities for any new or increased activities or service beyond that required by existing law.

Oversight assumes the extent of any new or increased activities or service which are beyond the requirements of existing law, will be minimal and can be absorbed within the municipal budgets. While this proposal could result in some procedural changes, Oversight assumes the fiscal impact would be minimal and could be absorbed within existing resources.
