FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would close portions of hospital records and meetings in certain situations. It states that a governing body or related body of a public hospital may close records or meetings that pertain to strategic planning, marketing, and the terms or conditions of certain contracts, including physician contracts. Information about the parties involved and the duration of such contracts would, however, be public record and physician compensation amounts would be included in the organization's financial statements. The disclosure of any other records would be governed by Chapter 610, RSMo.
