FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Higher Education** assume no fiscal impact to their organization.

Officials from the **University of Missouri**, the **Extension Council of Buchanan County**, and **Missouri Western State College**, in response to a prior version of this proposal, assumed no fiscal impact to their organizations.

Oversight assumes the property is worth approximately \$35,000 based on an unofficial estimate from the county assessor's office. The property has not been formally appraised since it has been state-owned for decades. The proposal provides for consideration as negotiated between the parties, which the parties understood to mean no financial compensation. Because there would be no revenue to state funds or expenditures from state funds, **Oversight** has not shown a fiscal impact to the state.

<u>FISCAL IMPACT - State Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal allows Missouri Western State College to convey a parcel of land to the Extension Council of Buchanan County for a consideration to be negotiated by the parties.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
