FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Transportation** assume no impact to their agency from this proposal.

Officials from the **Department of Revenue** assume in order to accommodate the placement of the "J88" code on the drivers license, the Driver and Vehicle Services Bureau will require \$13,750 (110 programming hours at \$125 contract hourly programming rate) for modifications to the purchased drivers license system. The Bureau also assumes they will incur State Data Center costs of \$2000 during fiscal year 2002 as a result of modifications necessary in order to store the new data.
