FISCAL ANALYSIS

ASSUMPTION

Department of Public Safety officials assume this proposal would have no fiscal impact to their department.

In response to a similar proposal from this year, officials from the **Department of Public Safety - Missouri Highway Patrol (MHP)** assumed this proposal would have no fiscal impact to their agency. In response to a similar proposal from last year, the MHP stated that in most cases the individual is responsible for the cost of training. Few agencies are paying to send an individual through training. Officers must be certified before they can be employed. Officials stated that the costs can vary from \$2,700 to \$3,500.

The **Johnson County Sheriff** assumed this proposal would not fiscally impact their agency.

The **Boone County Sheriff** assumed no fiscal impact to Boone County for 2002, 2003 and 2004. The Boone County Sheriff stated that after the next election process, the possibility exists that the next sheriff would need to attend an academy after election.

Oversight assumes that this proposal does not require the affected political subdivision to pay for the cost of training. Therefore, the County Commission's decision to pay the cost of training would be a discretionary act. Oversight assumes no fiscal impact to state or local funds.

<u>FISCAL IMPACT - State Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	\$0	\$0	\$0

<u>FISCAL IMPACT - Local Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	\$0	\$0	\$0

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

PAGE 3 OF 3

DESCRIPTION

This proposal changes the training and certification requirements for elected sheriffs beginning January 1, 2002. Currently, elected county sheriffs are exempt from Chapter 590, RSMo, requiring minimum training hours, background check and other requirements of certification by the Director of the Department of Public Safety. This act makes elected sheriffs subject to such certification.

Sheriffs holding office on January 1, 2002, who have not taken 470 hours of basic recruit training within twelve months of election are not allowed to participate in primary enforcement activities.

Sections establishing a training program after election of sheriffs are deleted.

The provisions of this act do not apply to the Sheriff of St. Louis County.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
