**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of Administration - Division of Budget and Planning (COA-BAP)** state that the proposed legislation should not result in additional costs or savings to the COA. The BAP officials did state there would be an impact on total state revenue.

Officials from the **Office of State Courts Administrator (CTS)** state the proposed legislation would create a fund for receiving and disbursing funds for support of CASA (court appointed special advocates) programs in the state. However, there is no defined revenue stream, just sources authorized. The CTS officials state since the income into the fund cannot be determined, all they can say is that income and expenses are unknown.

Officials from the **Office of State Treasurer** and **Office of Attorney General** state the proposed legislation has no impact on their agencies.

**Oversight** assumes the entire amount of funds transferred to the Missouri CASA Fund will be spent on programs. Oversight also assumes the amount appropriated to the CASA Fund by the General Assembly is unknown at this time.
