This fiscal note contains 3 pages.

FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of Prosecution Services, Department of Public Safety - Division of Liquor Control, Missouri Highway Patrol, Office of the State Courts Administrator** and the **Office of the State Public Defender** each assume this proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	\$0	\$0	\$0

<u>FISCAL IMPACT - Local Government</u>	FY 2002 (10 Mo.)	FY 2003	FY 2004
	\$0	\$0	\$0

FISCAL IMPACT - Small Business

Small businesses that sell intoxicating beverages by the drink would, seemingly be asserted a level of protection from liability with this proposal.

DESCRIPTION

This proposal addresses "dram shop" liability. The proposal finds that the consumption of intoxicating beverages, rather than the sale or serving of such beverages, is the proximate cause of any injury inflicted by an intoxicated person. No person licensed to sell intoxicating liquor by the drink, or any agent or employee of such person, or any social host, who lawfully sells or serves intoxicating liquors shall be liable to any person for any injury suffered off the licensed premises due to intoxication. No social host who owns or leases a premises on which intoxicating liquors are consumed, in the absence and without consent of the host, shall be liable for injuries caused by an intoxicated person.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
