FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Division of Design and Construction** and the **Office of Administration - Division of Facilities Management** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **Department of Natural Resources** (DNR) noted that this bill would authorize a land trade between the DNR - Division of State Parks and the City of Lexington. Both properties have been appraised and are of approximate equal value. The DNR is conveying to the city approximately 16.3 acres of undeveloped land on the Missouri River that is currently administered by the Battle of Lexington State Historic Site. The city is conveying to the DNR approximately two city blocks of undeveloped land near the main historic site.

Officials from the DNR assume this proposal would have no direct fiscal impact on their department.
