FISCAL ANALYSIS

ASSUMPTION

Officials of **Department of Social Services - Division of Family Services** and the **Department of Health and Senior Services** stated that the proposal would not affect their agencies, fiscally. They noted that foster parents automatically registered for the Family Care Safety Registry would no longer pay to register. DOS forwards the five-dollar (\$5.00) fee to the Highway Patrol for background screening.

Department of Health and Senior Services officials noted that about 1,000 new foster parents are licensed each year.
