FISCAL IMPACT - Small Business

Small business which are insurance companies could be affected by this proposal.

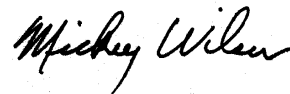

DESCRIPTION

This proposal modifies the law on the types of investments in which insurance companies can participate in. Under this proposal, insurance companies may use derivative instruments to engage in hedging transactions and certain income generation transactions if the company meets certain standards and other regulations promulgated by the Department of Insurance.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
