DESCRIPTION

This proposal would:

- 1) establish an effective date for laws enacted despite a gubernatorial veto. The effective date would be thirty (30) days after a successful override vote, unless the bill provided otherwise;
- 2) require the General Assembly to put an effective date on any act submitted to the voters;
- 3) require that the effective date of proposals submitted for initiative and referendum be noted on the initiative petition.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. The proposal would not affect Total State Revenue.
