ASSUMPTION

Officials from the **Department of Mental Health, Office of the Governor and Office of Administration - Division of Design and Construction** assume the proposed legislation will not fiscally impact their organizations.

Officials from the **City of Kansas City (CKC)** did not respond to our request for a statement of fiscal impact. However, in response to a similar piece of legislation, CKC officials stated the proposed legislation will be very beneficial to Kansas City and it's transportation needs. Officials, did not, however, indicate whether there would be potential costs or savings.

Officials from the **Office of Attorney General** assume any costs associated with the proposed legislation can be absorbed within current funding levels.
