One would limit consecutive years of service in either chamber of the General Assembly to twelve years and would also limit service as Speaker of the House of Representatives or President Pro Tempore of the Senate or any similar position of leadership to four years for any person. The second would specify that when a person is elected to complete the term of another person, the partial term would not count against the twelve year limit.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. The proposal would not affect Total State Revenue.
