FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Health and Senior Services (DOH)** stated this legislation would not be expected to significantly impact the operations of the DOH. If the proposal were to substantially impact the DOH programs, then the DOH would request funding through the legislative process.

For similar legislation proposed this session, DOH officials assumed there would be insignificant cost savings associated with the proposal because the DOH inspects very few food sales by religious, charitable or non-profit organizations.

<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This act exempts religious, charitable, and nonprofit organizations from food inspection if the food is sold at a religious or charitable function or activity.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
