FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Revenue (DOR)** state this legislation creates the Workers Memorial Fund. Individual and corporate taxpayers may designate a minimum of one dollar on a single return and two dollars on a combined return to the trust fund. The DOR will transfer at least monthly all the contributions made to the state treasurer for deposit to the fund, less any amount to cover the cost of collection by the DOR.

DOR will have to add another line to the individual income tax return and the corporate income tax form to allow for the trust fund amount. The additional line on the returns will create additional key entry and DOR will need 4 Tax Season Temporaries to handle the additional fields. The MITS, MINITS and the PC applications for both corporate and individual returns will need to be enhanced and tested for the new trust fund. DOR anticipates that 1,730 hours of programming and testing will be needed at a cost of \$57,712. DOR did not provide an estimate of the revenue impact of this legislation.

Officials from the **Office of the State Treasurer** assume this proposal would not fiscally impact their agency.

Office of Administration, Budget and Planning officials did not respond to our fiscal note request.

According to the Missouri Department of Revenue's Comprehensive Annual Financial Report (CAFR) for the year ended June 30, 2000, there were 3,413,134 individual income tax returns filed with 1,723,138 returns claiming a refund for the 2000 tax year. Also, there were 208,238 corporation returns filed with 15,031 returns claiming a refund for tax year 2000. Each of these taxpayer, as well as any taxpayer that wants to add a contribution to the tax amount they owe, would be eligible under this proposal to contribute \$1 or more to the Workers Memorial Fund. Therefore, **Oversight** assumes the revenue impact for this legislation would be unknown, could exceed \$100,000, annually.

This proposal would result in an increase in Total State Revenues.

DESCRIPTION

This bill allows individuals or corporations entitled to a state tax refund to designate that a portion of their refund be contributed to the Workers Memorial Fund. If not entitled to a tax refund, individuals or corporations may make a contribution along with their payment or send the contribution in separately.

The refund check off applies to tax year 2003 and thereafter.

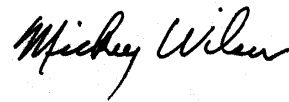

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
