**DESCRIPTION**

This act requires one member of the Board of Health to be a chiropractor. Currently, Section 191.400, RSMo, creates the State Board of Health and requires that three members must be persons other than those licensed by the Board of Registration for the Healing Arts or the Missouri Dental Board. This act requires that, of those three, one of the members must be a licensed chiropractic physician and two must be persons other than those licensed by Healing Arts, the Missouri Dental Board, or the Missouri State Board of Chiropractic Examiners.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
