FISCAL ANALYSIS

ASSUMPTION

Officials from the **State Tax Commission** assume this proposal would have no fiscal impact on their organization.

Officials from **Cass County** assume this proposal will increase their withholding from political subdivision tax collections for the assessment fund by \$57,000-\$60,000 per year.

Oversight assumes this proposal would have no fiscal impact on the state of Missouri. Oversight assumes this proposal would become effective on January 1, 2003, and Oversight assumes the estimate of \$60,000 per year in additional withholdings from Cass County political subdivisions to the Cass County Assessment Fund is reasonable.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would authorize the expansion of certain assessment provisions for new home construction to include one additional county. New home construction in that county would become subject to pro-rata assessment for the first year of occupancy based on the portion of the year it became occupied as a residence.

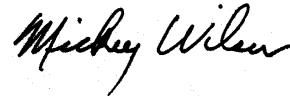

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
