FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal authorizes the University of Missouri-Columbia to conduct a comprehensive study of the gambling industry in Missouri, including a study of:

1. The economic and societal aspects and effects of gambling;
2. The influence of gambling businesses on the regulation of gambling;
3. The relationship between gambling and crime; and
4. The effectiveness of gambling-related law enforcement and regulatory efforts.

The study director shall hold hearings, administer oaths, take testimony, receive evidence and subpoena witnesses and production of documents. The proposal directs the University to complete the study and file a report by January 31, 2005, and caps the appropriation for the study at \$50,000.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
