FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Attorney General** did not respond to our fiscal impact request.

Officials from the **Office of the Governor, Office of the Adjutant General, and the County of Laclede** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **City of Lebanon** assume the proposal would result in additional Fixed Base Operator fees from increased airport utilization of \$1,000 annually, capital costs of \$5,000 for engineering and easements, and utility costs of \$100 per month.

Oversight assumes the fiscal impact cited by the City of Lebanon could be a possible indirect impact that is secondary to the intent of the proposal and assumes the direct fiscal impact to be one dollar.
